Email Help

I need help checking the following email addresses. When I send them- they return. If you know of a correction or update please let me know. If the address is correct and you can forward the newsletter to the families that would be great-thanks

I apologize for the delay in getting the December newsletter out. I hope everyone had a Merry Christmas.

December

It sounds like *Yule Go Nuts* was a success. The photos on the web page show the boys enjoying fellowship, video games and little sleep.

The Christmas parade went well-thanks to all the scouts and leaders who walked the parade. It is great for our community to see what an awesome troop we have!

The Family holiday potluck had a great turn out. Thanks for supporting your scout.

A special thanks to "*Santa Pachman*" for the Christmas gifts, Joel for the slide show and Mike and Pam for *all* you do. Not to leave anyone out-all the volunteers and parents that help with the troop, organize an activity, serve on the committee, or support and encourage your scout are so appreciated.

January 2008

The new year kicks off with a winter campout at Muskegon Winter Sports complex the 4th, returning to the house on the 5th at 6 pm. Scouts will need \$20 for the activities and food. Meet at the house Friday at 5:30 pm. Review the list of cold weather gear that you took home from the Dec. 2nd meeting. If you lost the list visit the www.bsagffc.org website for a cold weather camping list. Please note that there will be a meeting January 6th.

The January 13th meeting is a mandatory meeting. ALL scouts need to be present for the OA elections.

The first of three family swim nights is January 15th. Meet at the scout house at 6 pm. Swimming is from 7-8 at the Orchard View Pool. We hit Burger King or Micky D's on the way home so bring some cash. Cost is \$2 for scout or \$5 for family.
